In club service, we welcomed an enriching Orientation session with Arun Teja, who guided our new Rotaractors through Rotary's vision and core principles. We celebrated Teachers' Day with an engaging online quiz that brought members together in a spirit of friendly competition. Our General Body Meeting (GBM) added a fun twist to club discussions, incorporating games that strengthened our team bonds.

The professional development avenue delivered two impactful sessions: "Tax is Easy 2.0," which simplified complex financial concepts, and "Ace the Interview," providing crucial career advancement skills to our members. These gatherings reflect our dedication to creating meaningful experiences that foster both personal and professional growth within our Rotaract community.
